

# Intro to Flag Football

## What is Flag Football?

Flag is a modified version of tackle football and provides participants with the opportunity to develop many of the same skills, tactics and strategies without significant physical contact.

## Why play Flag Football?

- Fun! ○ Fast!
- Safe! ○ Social! ○ Co-Educational! ○ Enjoyable!
- Inexpensive!
- Exciting! ○ Requires skill, agility and finesse! ○ Excellent form of physical activity!
- Promotes "sport for life" opportunities!
- Develops life skills through sport; teaches cooperation, self-discipline! Sportsmanlike conduct builds self-confidence and improves self-image!

## Who plays Flag Football?

Anyone can play Flag Football! Men, women and children of all ages play flag. People can play recreationally in parks, as part of school intramural programs and on a more competitive level within organized leagues. Flag Football is a sport easily adapted for people with disabilities.

## How do you play Flag Football?

**Objective of the Game** ○ Two teams of five players each compete against each other.

- To outscore your opponents by scoring touchdowns and converts. one team, "the offense", has possession of the ball and attempts to move the ball across their opponent's goal line. They do so by passing and running the ball towards their opponent's goal line.
- The opposition, the "defense" attempts to stop them from accomplishing the task. Players attempt to stop the ball carrier by grabbing and removing one of the flags worn on each player's hips; this is referred to as "flagging" or non-contact tackling.

## What Equipment is Required?

Flag Football requires very little equipment other than comfortable clothes and a good pair of sports shoes for participants, and of course, a football. Below is a list of equipment that will assist you in conducting your Flag Football program.

- Pylons or plastic disks, which are used for field boundary and end zone markers.
- Jerseys in order to identify team.

# Intro to Flag Football

- Proper size footballs appropriate to the age of the participants.
- Flags and flag belts.
- Bean bags for the officials, which are used to mark line of scrimmage and 7 yard rush zone.

## POSITION DESCRIPTIONS

### Quarterback (QB)

- The Quarterback is the captain on offence. ○ The QB calls the offensive plays and is the leader. ○ The QB always stands behind the Center (C) and receives the football in what is called a “snap”.
- The QB has the option to either hand off the football or pass the football to a team mate on offence.

### Center(C)

- The Center snaps the football to the QB. A snap is when the Center tosses the football between his/her legs to the QB. After the snap, the Center can run out for a pass.

### Wide Receiver (WR)

- The Wide Receiver is responsible for catching passes from the QB and running with the ball. The WR also can take a handoff. There are up to three WR's on offense.

### Running Back (RB)

- The Running Back stands behind the QB or next to the QB and is responsible for receiving handoffs from the QB and running with the ball.
- RB's also catch passes from the QB.

### Defensive Backs (DB)

- All defensive positions in Flag Football are called Defensive Backs.
- The DB is responsible for stopping the players on offense and trying to intercept or gain possession of the football.
- The DB tries to pull the flag of the player with the football.

## General Guidelines

### Attire

Cleats are allowed, but must be rubber. Inspections must be made prior to the game. It is recommended that all Players wear a protective mouthpiece as well as soft peaked hats. Shorts with no pockets are also recommended.

## Field Dimensions and Markings

:: [www.hmff.ca](http://www.hmff.ca) / [hmff@live.com](mailto:hmff@live.com)

- Length: 60 (or 80) yards. ○ Width: 25 (or 30) yards.
- End Zones: Maximum 10 yards deep, minimum 7 yards deep. ○ No-running zones: Must be marked 5 yards from each end zone.
- Field conditions can change due to league discretion

## Possession

- A coin toss determines first possession. Loser of the coin toss has choice of end zone to defend.
- The team that loses the coin toss gets possession at the beginning of the second half starting at its own 5-yard line.
- There are no kick offs. The offensive team takes possession of the ball at its 5-yard line and has three plays to cross midfield. Once a team crosses midfield, it has three plays to score a touchdown. If the offence fails to score, the ball changes possession and the new offensive team takes over on its 5-yard line. An automatic first down by penalty will overrule the other requirements regarding three plays to make either a first down or score.
- If the offensive team fails to cross midfield, possession of the ball changes and the opposition starts its drive from its 5-yard line.
- All possession changes, except interceptions, start on the offence's 5-yard line.
- Teams change sides at half time.

## Number of Players

- Teams consist of 6 Players (5 on the field at a time). ○ Teams may play with a minimum of four (4) Players (due to injuries).
- If less than 4 Players are available, the game is cancelled.

## Timing/Overtime

- Game length is 20-50 minutes running time (two halves, 10-25 minutes each). The referee will give a 2-minute warning and signal the last 3 plays.
- If the score is tied at the end of regulation time, teams move directly into overtime. A coin toss determines first possession of overtime. The team that wins the coin toss starts with the ball. We will play sudden death converts to determine winner. Coin toss winner plays first. You may go for 1 or 2 points. There will be no timeouts granted during the overtime period.
- Each time the ball is spotted the offense has 30 seconds to snap the ball.
- **Each team has 1 x 60-second timeouts per half. These cannot be carried over to the second half or overtime. NEW**
- Officials can stop the clock at their discretion.
- The teams will be warned when there are two minutes left to play in the second half.
- There will be a halftime period of 2 minutes between the first and second half.

**Scoring** ○ Touchdown: 6 points

- Extra point: 1 point (played from 5-yard line)
- Extra point: 2 points (played from 12-yard line)
- Safety: 2 points

Note: An interception return to opponent's end zone on any extra-point play by the defense will result in the defense scoring 2 points plus gaining possession for the next series at its own 5-yard line.

## Running

- To start the play, the ball must be snapped between the legs of the Center. ○ The Center is the Player who gives the ball to the Quarterback via a snap. The Center cannot take a direct handoff back from the Quarterback (no Center sneak play).
- The Quarterback is the Player who receives the ball directly from the Center.
- The Quarterback cannot run with the ball past the line of scrimmage.
- An offence may use multiple handoffs behind the line of scrimmage. All handoffs behind the line of scrimmage are legal
- Tosses or sweeps behind the line of scrimmage are allowed and are considered running plays. Downfield tosses are not permitted. Once a player has possession of the ball beyond the line of scrimmage, any loss of possession will be blown dead by the official.
- "No-running zones" are located 5 yards from each end zone. When the ball is on or inside the 5-yard line going towards the opponent's end zone, the offense cannot run. The offense cannot use a running play to cross the line of scrimmage.
- The Player who takes the handoff can throw the ball from behind the line of scrimmage.
- **All Defensive Players are eligible to rush once the ball has been handed off or tossed, you can not jump the line on play action.** NEW
- Spinning is allowed, but Players cannot leave their feet to avoid a Defensive Player (no offensive diving).
- The ball is spotted where the ball carrier's feet are when the flag is pulled, not where the ball is.
- It is up to the ball carrier to avoid contact with the defender. Good defensive positioning should be rewarded by the officials. The result is offensive charging.

## Receiving

- All Players are eligible to receive passes (including the Quarterback if the ball has been handed off behind the line of scrimmage). As in the NFL, only one Player may be in motion, but not in motion towards the opponent's end zone at the snap.
- A Player must have at least one foot inbounds when making a reception. (They cannot return on to the playing field from an out of bounds position.)

# Intro to Flag Football

## Passing

- Only Players starting 7 yards behind the line of scrimmage can rush the passer.
- The Quarterback has seven seconds to throw the ball.
- If a pass is not thrown within the seven seconds, play is dead, results in a loss of down and the ball is spotted at the previous line of scrimmage. Once the ball is handed off or

[www.hmff.ca](http://www.hmff.ca) / [hmff@live.com](mailto:hmff@live.com)

**tossed, the seven seconds does not apply. NEW** ○

Interceptions change the possession of the ball

- The defence can return interceptions.
- On interceptions that occur and remain in the end zone, the ball will become dead and will result in the ball belonging to the intercepting team at its 5-yard line. Should an interception occur in the end zone and the ball carrier leave the end zone, the ball will belong to the intercepting team at the spot the ball becomes dead. However, should the ball carrier return to the end zone and be flagged, or the ball be ruled dead the result would be a safety for the other team.
- All Forward passes no matter behind or in front of the line of scrimmage are allowed. .

## Dead Balls

□ □ Substitutions may be made on any dead ball.□

□ Play is ruled "dead" when:□

- Official blows the whistle.
- Ball carrier's flag is pulled or becomes illegal.
- Ball carrier steps out of bounds.
- Touchdown or safety is scored.
- When any part of the ball carrier's body, other than a hand or foot, touches the ground.
  - If the ball carriers flag falls off, the play will be whistled dead and the ball will be spotted at the spot where the flag fell off.□

□ Players are eligible to catch a pass if their flag has fallen off but cannot advance the ball..

Note: There are no fumbles. The ball will be spotted where the ball carrier's feet were when the fumble was made. I.e. a bad snap will be blown dead and the ball will be spotted at the Center's feet. Therefore a fumbled snap will result in a loss of down and the ball is returned to the line of scrimmage. All other fumbles will be placed where the ball hit the ground. A fumble cannot add yards to a play. The ball will be placed where the ball carrier fumbled.□ □ There is no stripping of the ball.

## Rushing the Quarterback

- **All Players who rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Any number of Players can rush the Quarterback. Players not rushing the Quarterback may defend on the line of**

# Intro to Flag Football

**scrimmage. Once the ball is handed off or tossed, the 7-yard rule no longer is in effect and all Defenders may go behind the line of scrimmage. A special marker, or the Referee, will designate 7 yards from the line of scrimmage. NEW** ○ In grade 1/2, all defence must remain 7 yards from the line of scrimmage. **NEW**

The rush marker will be designated by the referee seven yards from the line of scrimmage.

Any number of players may rush the quarterback as long as they are beyond the rush marker at the time the ball is snapped.

If the offense draws any rusher to commit or jump that seven-yard marker, that rusher CANNOT rush during that play unless the ball is handed off or any play action occurs or the rusher resets. However, any other defender that is seven yards back may rush instead.

The rusher may declare their rush angle or path to the QB. If this path is crossed AND contact is made involving the rusher then an offensive penalty will be assessed. This rule only applies to rushers who are within 2 yards of bean bag.

The rusher CANNOT run straight into the center. The center has the right away if the rusher does not take an angle to the QB. If contact is made with the center by the rusher who is has not taken an angle to the quarterback a defensive obstruction penalty will be called.

Players not rushing the quarterback may defend the line of scrimmage, as long as he or she is at least one yard from the line of scrimmage.

A rusher must go for the quarterback's flags. The rusher cannot attempt to block the pass once he (RUSHER) crosses line of scrimmage. Offense has a choice to replay the down with a 10 yard penalty or decline the penalty.

## Sportsmanship/Roughing

If the referee witnesses any acts of flagrant contact, tackling, elbowing, cheap shots, blocking, or any unsportsmanlike act, the game will be stopped and the Player will be ejected from the tournament.

FOUL PLAY WILL NOT BE TOLERATED.

[www.hmff.ca](http://www.hmff.ca) / [hmff@live.com](mailto:hmff@live.com)

Trash talking is illegal. (Trash talk is talk that may be offensive to officials, opposing Players, teams, or spectators.) Officials have the right to determine offensive language. If trash talking occurs, the referee will give one warning. If it continues, the Player or Players will be ejected from the game.

## Penalties

- All penalties can be declined.
- Penalties will not exceed half the distance to the opposing team's goal line from the line of scrimmage.
- Referees determine incidental contact that may result from normal run of

- play.
- All penalties will be assessed from the line of scrimmage.
  - Only the team captain may ask the referee questions about rule clarification and interpretations. Players cannot question judgment calls.
  - Games cannot end on a defensive penalty, unless the offence declines it.

## **Defensive Penalties**
